**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who just got fiber internet service from a small local company. It is fantastic and costs a fraction of that provided by the big national providers. Please do not take away access of unbundled network elements from these smaller companies. Republicans are supposed to support capitalism so walk the talk!
